2018/2019 MEDIA KIT

The **Chartered Institution of Building Services Engineers (CIBSE)** and Adbourne Publishing are pleased to announce a new online quarterly interactive publication “Engineering Buildings”.

CIBSE is the professional body that exists to ‘support the Science, Art and Practice of building services engineering having received its Royal Charter in 1976. It is the standard setter and authority in the field and provides its members and the public with first class information and education services and promotes the spirit of fellowship which guides its work.

With over 20,000 members in 98 countries around the world, CIBSE provides a global network of professional support and expertise, working in partnership with other professional bodies, construction and engineering firms worldwide.

CIBSE ANZ is committed to maintaining and enhancing professional excellence across the region. It is one of 25 CIBSE regions around the world and unique, in that it is the only CIBSE region divided into 10 geographical chapters. This dispersed membership base

places increasing value on CIBSE ANZs digital and online channels of communications to inform and provide training to members and subscribers.

Distribution consists of all CIBSE members plus CIBSE registered contacts who subscribe to regional e-communications including the monthly ANZ eNews updates.

Along with CIBSE’s continued presence on social media platforms our magazine will be sent out to in excess of 8,000 commercial building and consulting engineers within Australia and New Zealand.
